

ROLE PURPOSE: Communications and PR Advisor

Our Vision

We see a world in which no person is needlessly blind or vision impaired.

Our Purpose

We are determined to deliver Fred Hollows' vision of preventing blindness and restoring sight.

We work around the world so that no one is left behind, and in Australia we work tirelessly to ensure that Aboriginal and Torres Strait Islander people can exercise their right to sight, good health and self-determination.

Our priority is to work with communities to improve their own eye health. We do this through life-changing surgeries and treatments, training doctors and health workers, generating new ideas, and pushing for change at all levels – from local to global.

At The Fred Hollows Foundation, you will make an impact the world can see!
