

ROLE PURPOSE: Project Coordinator

Our Vision

We see a world in which no person is needlessly blind or vision impaired.

Our Purpose

We are determined to deliver Fred Hollows' vision of preventing blindness and restoring sight.

We work around the world so that no one is left behind, and in Australia we work tirelessly to ensure that Aboriginal and Torres Strait Islander people can always exercise their right to sight and good health.

Our priority is to work with communities to improve their own eye health. We do this through life-changing surgeries and treatments, training doctors and health workers, generating new ideas, and pushing for change at all levels – from local to global.

At The Fred Hollows Foundation we offer a career where your talent and energy will help many see tomorrow.
