

ROLE PURPOSE

Role Title: Program Coordinator (Laos)

Division: Programs & Partners

Location: Vientiane
Lao PDR

Date: Jan 2026

Employment type: Full time
Fixed-term contract with flexible work arrangement

Reports to: Program Manager – Laos

Number of direct reports: N/A

Leadership Band: Leads Self

Purpose of the role:

The Project Coordinator is responsible for coordinating and monitoring the planning and implementation of program activities across multiple provinces, ensuring all activities are delivered on time and aligned with the Country Strategy. This role facilitates collaboration and communication with the National Ophthalmology Centre (NOC), Provincial and District Health Offices, hospitals, and NGO partners to support consistent delivery, effective problem-solving, and achievement of project outcomes.

The **Program Coordinator** will own the outcomes of:

1. **Project planning, Implementation, and Monitoring** - Coordinates planning, implementation, and monitoring of program activities across multiple provinces, ensuring delivery is on time and aligned with the Country Strategy. Supports partners in preparing and monitoring annual budgets, reviewing fund requests and settlements, and ensuring proper use of project assets.
2. **Stakeholder Collaboration** - Facilitates coordination and communication with NOC, Provincial and District Health Offices, hospitals, and NGO partners to ensure effective delivery and problem-solving. Provides support to other project teams for quarterly activity planning and budgeting as needed.
3. **Coordination and Logistics** - Oversees logistics and coordination for partner-led activities, training, and outreach, ensuring smooth operations, efficient resource use, and administrative support to program activities.
4. **Reporting and Data management** - Consolidates and reviews partner reports and data for accuracy and timeliness, including coordination of monthly and quarterly progress reports across all projects.
5. **Meeting and Workshop** - Participates in coordination and technical meetings with MoH, NOC, and provincial stakeholders, as well as government and partner meetings, sharing updates, lessons learned, and progress. Supports preparation of partner meetings, training, and mentoring activities.
6. **Documentation and Communication** - Documents and shares program results and lessons learned to support learning, visibility, and continuous improvement.
7. Other tasks as requested by your manager
