### 充滿影響力與成長的一年 Celebrating Progress and Vision: A Year of Impact and Growth

回顧 2024 年，對於護瞳行動實現的非凡進展，我們心懷感激。今年，我們展開了一段充滿啟發性的五年旅程，致力應對全球日益嚴峻的可避免性失明挑戰。面對眾多仍在等待簡單卻能改變生命的治療機會的人們，我們 2024 至 2028 年的策略將重點放在強化醫療體系、支援眼科健康專業人員，以及擴展可持續的方案助人重拾視力，從而改變無數人生。

我們深知，擁有健康視力能為人們開啟無限可能 —— 不僅是更好的健康，還包括受教育的機會、有意義的工作，以及融入社會的能力。因此，我們致力於將眼科健康置於全球發展議程的核心，確保其獲得應有的重視與資源。

今年，我們也迎來了一個特別的里程碑：我們香港辦事處成立十週年。過去十年來，因有一眾熱心支持者，我們才可觸及更多受助者，將支持者的善心和合作夥伴連結起來。我們衷心感謝每一位捐款者、每一間企業夥伴，以及每一位一路「瞳」行的朋友。

**感謝您始終如一的支持、信任與對我們使命的堅定信念。請繼續與我們攜手助人重見光明生命。**

As we reflect on 2024, we are deeply grateful for the incredible progress we've made together at The Fred Hollows Foundation. This year, we set out on an inspiring new five-year journey, determined to address the growing challenge of avoidable blindness around the world. With so many still waiting for access to simple, life-changing treatments, our 2024 – 2028 Strategy is focused on strengthening health systems, supporting eye health workers, and expanding sustainable solutions that restore sight and transform lives.

We know that healthy vision opens doors — not just to better health, but to education, meaningful work, and a sense of belonging. That's why we are working to put eye health at the heart of global development, ensuring it gets the attention it truly deserves.

This year, we also celebrated a special milestone: the 10th anniversary of our Hong Kong office. For the past decade, our dedicated team and supporters in East Asia have helped us reach more people and build lasting connections with donors and partners. We are deeply thankful for every regular giver, every corporate partner, and every friend who has walked alongside us on this journey.

**Thank you for your steadfast support, your trust, and your belief in our mission. Together, we are restoring sight and changing lives — one person, one family, and one community at a time.**

### 重見光明，改變生命：嶄新篇章的開始 Restoring Sight, Changing Lives: A New Chapter Begins

我非常榮幸接任護瞳行動的總監一職。這是一個擁有深厚傳承、並致力於恢復視力、消除可避免失明的機構。我衷心感謝所有支持者長期以來的信任與支持，也承諾堅定實踐護瞳行動的使命，積極推動復明工作。霍洛教授的精神與願景，至今仍激勵著我們前行。

在2024年，我們迎來了幾項重要的里程碑：世界衛生組織宣布巴基斯坦與越南已消除沙眼這項公共衛生問題 —— 這是護瞳行動多年持續努力的成果。在尼泊爾，我們啟用了 Tilganga 社區眼科醫院，預計每年可為多達 55,000 名患者提供診療服務。這些成就，全賴您們的慷慨支持。

讓我們攜手建構一個沒有人因可避免原因而失明的世界。

**感謝您一路相伴，讓這份改變生命的工作得以實現。**

I was honoured to step into the role of CEO at The Fred Hollows Foundation — an organisation with a powerful legacy and unwavering commitment to restoring sight and ending avoidable blindness. I would like to acknowledge the deep loyalty of our supporters and reinforce my commitment to The Foundation's work to make a positive human impact. I am inspired by the legacy of Professor Fred Hollows, whose vision and passion continue to guide us.

In 2024, we celebrated major milestones: the World Health Organization declared Pakistan and Vietnam free of trachoma as a public health problem — the result of over a decade of dedicated work. In Nepal, we proudly opened the Nijgadh Tilganga Community Eye Hospital, set to treat up to 55,000 patients annually. These achievements are only possible because of your generosity. Together, we are turning Fred's vision into reality — a world where no one is needlessly blind or vision impaired.

**Thank you for standing with us and making this life-changing work possible.**

## 長遠而 可持續的新策略 A NEW STRATEGY FOR SUSTAINABLE IMPACT

在過去 33 年間，護瞳行動已為來自 25 個國家的超過三百萬人恢復視力。儘管取得了令人鼓舞的成果，全球眼科健康仍面臨日益嚴峻的挑戰，包括人口老化、眼科人力短缺，以及體制性障礙。預計到 2050 年，全球將有約 17 億人受到視力喪失的影響，其中九成居住於中低收入國家。為了應對這些挑戰，護瞳行動推出了一項大膽的五年策略 (2024–2028)，以實現長遠而可持續的改變。

Over the past 33 years, The Fred Hollows Foundation has restored sight to over three million people across 25 countries. Despite this progress, global eye health faces mounting challenges due to ageing populations, workforce shortages, and systemic barriers. By 2050, an estimated 1.7 billion people will experience vision loss, with 90% living in low-to-middle income countries. In response, The Foundation launched a bold five-year strategy (2024–2028) focused on sustainable impact.

### 策略重點包括：

- 擴展服務至資源匱乏地區
- 強化眼科人力培訓
- 將眼科健康納入各國公共醫療體系
- 提升數據蒐集與應用能力
- 拓展預防、治療與復康服務的整體覆蓋

### Key priorities include:

- scaling programs in underserved regions
- building workforce capacity
- integrating eye health into national systems
- improving data use
- expanding services across prevention, treatment, and rehabilitation

恢復視力不僅能改善個人生活品質，更能帶動教育、就業與社會共融等更廣泛的社會與經濟效益。透過可持續的解決方案，護瞳行動致力於徹底改變生命、創造長遠影響，確保沒有人因可避免的原因而失明。

Restoring sight not only improves individual lives but also drives broader social and economic benefits, including education, employment, and inclusion. Through sustainable solutions, The Foundation aims to transform lives and create lasting change — ensuring no one is needlessly blind or vision impaired.

## 目標一： 加強以人為本的綜合眼科護理 GOAL 1: STRENGTHEN INTEGRATED PEOPLE-CENTRED EYE CARE

在 2024 年，護瞳行動在保護視力和改變生命方面取得了重要進展。透過策略性夥伴合作、創新方案及不懈倡議，我們積極推動眼健康被視為不僅僅是醫療需求，更是一項人權以及推動社會發展的重要動力。以下重點展示了我們在三大核心目標上的成果與進展。

In 2024, The Fred Hollows Foundation made powerful strides in protecting sight and transforming lives. Through strategic partnerships, innovative solutions, and tireless advocacy, we advanced our mission to ensure eye health is recognised not just as a medical need — but as a human right and a driver of development. The following highlights showcase our progress across three key goals.

2024 年年底，位於尼泊爾的 Tilganga 社區眼科醫院正式啟用。醫院建於全國眼健康資源最匱乏的地區之一，逾一百萬名尼泊爾人正受視力損失困擾，而白內障更佔當地失明病例近 67%。新醫院的成立，為最需要幫助的人群帶來希望，特別是女性，她們受可避免失明影響的比例更高，現在將能更容易獲得適切的眼科護理服務。

多得護瞳行動與 Tilganga 眼科醫院的共同努力，這所新醫院將提供涵蓋十個次專科的先進治療，預計五年內服務約 274,000 名患者。醫院設有專業手術室、激光治療室及完善藥房，是希望的象徵，也是我們堅定不移恢復視力與尊嚴承諾的見證。

In late 2024, a dream became reality with the inauguration of the Nijgadh Tilganga Community Eye Hospital in Nepal's Madhesh Province — one of the country's most underserved regions for eye health. With over one million Nepalis living with vision loss, and cataract accounting for nearly 67% of blindness, this new facility brings hope where it's needed most. Women, disproportionately affected by avoidable blindness, will now have better access to care.

Thanks to The Fred Hollows Foundation and its long-standing partner, the Tilganga Institute of Ophthalmology, the hospital will offer advanced treatment across 10 subspecialties, serving an estimated 274,000 patients over five years. Equipped with operating theatres, laser rooms, and a full-service pharmacy, it stands as a beacon of compassion and excellence.

## 目標二： 推動革新解決方案

### GOAL 2 : ADVANCE TRANSFORMATIVE SOLUTIONS

2024 年 10 月，越南及巴基斯坦正式獲世界衛生組織認證，成功消除沙眼這一公共衛生問題，標誌著一項重大里程碑。沙眼是全球最常見的傳染性致盲疾病，曾經重創無數社區，尤以婦女及兒童受影響最深。過去十多年，護瞳行動與兩國政府緊密合作，深入偏遠地區，協助落實世界衛生組織的 SAFE 策略。

於越南北部山區及巴基斯坦農村地帶，前線醫護人員克服包括新冠疫情在內的重重困難，將護理與健康教育帶給有需要人士。

沙眼的消除，將為數以百萬計群眾帶來持久改變，重拾尊嚴、機遇與希望。這更是全國醫療體系各層面堅持不懈承諾的成果。

In October 2024, a major milestone was achieved — Vietnam and Pakistan were officially validated by the World Health Organization as having eliminated trachoma as a public health issue. Trachoma, the world's leading infectious cause of blindness, once devastated communities, especially mothers and children. For over a decade, The Fred Hollows Foundation worked hand-in-hand with both governments, reaching remote areas and supporting the implementation of the WHO's SAFE strategy.

In mountainous regions and rural heartlands, dedicated health workers overcame immense challenges — including the COVID-19 pandemic — to deliver care and education. The elimination of trachoma will have a lasting impact on millions — restoring dignity, opportunity, and hope. This is the result of unwavering commitment at every level of the health system.

## 目標三： 提升眼健康為發展優先事項

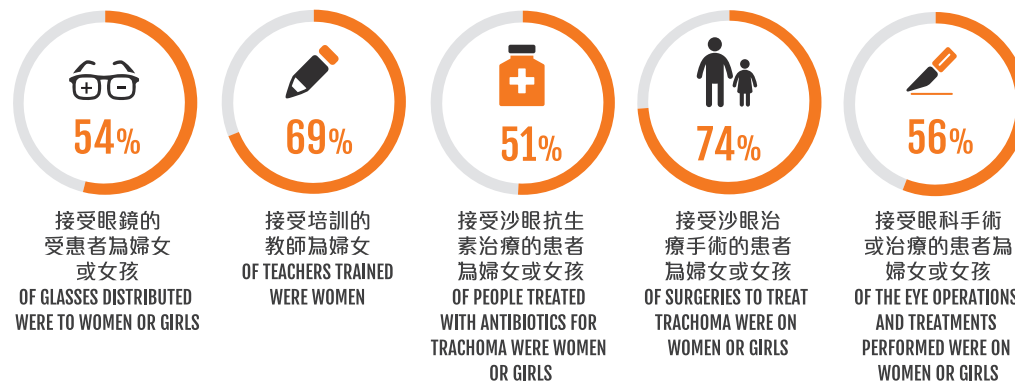

### GOAL 3 : ELEVATE EYE HEALTH AS A DEVELOPMENT PRIORITY

2024 年，護瞳行動繼續積極倡導，將眼健康視為全球發展不可或缺的一環。良好的眼健康不僅改善整體健康，更促進教育及經濟成果。我們特別強調輔助技術（如眼鏡）的重要性，確保人人都接觸到眼健康服務。此外，我們亦致力推動性別平等，透過「醫療衛生界女性領袖培育計劃」提升來自東南亞的 15 位女性醫療領袖的能力，讓她們發揮更大影響力。

這一系列工作，正體現我們對釋放政策動力及資源的承諾，推動社會各界將眼健康視為不僅僅是醫療議題，更是一條邁向尊嚴、機會與平等的道路。護瞳行動將繼續與合作夥伴攜手，共同推動眼健康成為全球發展議程的優先目標，讓更多人受惠於光明未來。

In 2024, The Fred Hollows Foundation continued to champion eye health as a vital part of global development. Eye health uplifts broader health, education, and economic outcomes. We spotlighted the importance of assistive technologies like glasses, ensuring no one is left behind. We also addressed gender equity by empowering 15 women health leaders from Southeast Asia through the Women in Health Leadership Program.

These efforts reflect our commitment to unlocking political will and resources, ensuring eye health is recognised not just as a medical issue — but a pathway to dignity, opportunity, and equality.

近三十年來，珊托恩一直受模糊視力困擾，因無法負擔眼鏡的費用，生活非常不便。兒時視力不佳，甚至迫使她輟學。然而，感謝您的慷慨支持，一切從此改變。

在護瞳行動支持下，珊托恩參加了本地的眼科篩查，確診為高度近視，並獲配處方眼鏡。重拾清晰視力後，她現時能親自接送孩子上學，協助他們溫習課業，更在家經營小生意。她更學會為孩子進行簡單的視力檢查，將這份光明的禮物傳承下去。

您的支持，不僅為珊托恩配上一副眼鏡，更重燃她的夢想，賦予這位母親力量，並為其家庭及社區帶來連鎖正面改變。衷心感謝您，讓視力成就無限機會。

For nearly 30 years, Chanthoeun lived with blurry vision, unable to afford the glasses she desperately needed. As a child, poor eyesight forced her to leave school. But thanks to your generous support, everything changed.

Through a local eye screening supported by The Fred Hollows Foundation, Chanthoeun was diagnosed with high myopia and received custom prescription glasses. With her vision restored, she now drives her children to school, helps with homework, and runs a small business from home. She's even learned to conduct basic eye tests for her children — passing on the gift of sight.

Your support didn't just provide glasses — it reignited a lifelong dream, empowered a mother, and sparked a ripple of change in her family and community. Thank you for helping turn vision into opportunity.

多得您的慷慨捐助，來自孟加拉農村的阿尼重獲清晰視力，迎來人生新機遇。多年來，阿尼因單眼失明而無法負擔治療費用，也難以前往大城市求醫。直至有一天，她聽到村內廣播宣佈有由護瞳行動及澳洲政府支持的免費眼健康篩查營，一切遂然改變。

經診斷，阿尼患有白內障，並在同日接受手術，成功恢復視力，徹底改變了她的未來。現時，阿尼能積極參與農務及家務，幫補家庭之餘，更成為村內的眼健康大使，鼓勵鄰里主動尋求護理，將希望帶給更多有需要的人。

您的支持不僅讓阿尼重見光明，更重建了她的自主、尊嚴及服務他人的能力。衷心感謝您，讓光明延續並惠及當地廣大社群。

Thanks to your generous donations, Ani Chakma from rural Bangladesh received the gift of sight—and a second chance at life. For years, Ani lived with blindness in one eye, unable to afford treatment or travel to a major city. But everything changed when she heard a loudspeaker announcement about a free eye camp supported by The Fred Hollows Foundation and the Australian Government's ANCP.

Diagnosed with cataract, Ani received surgery the same day — restoring her vision and transforming her future. Now, she actively supports her family through farming and household work, and has become an eye health ambassador in her village, encouraging others to seek care.

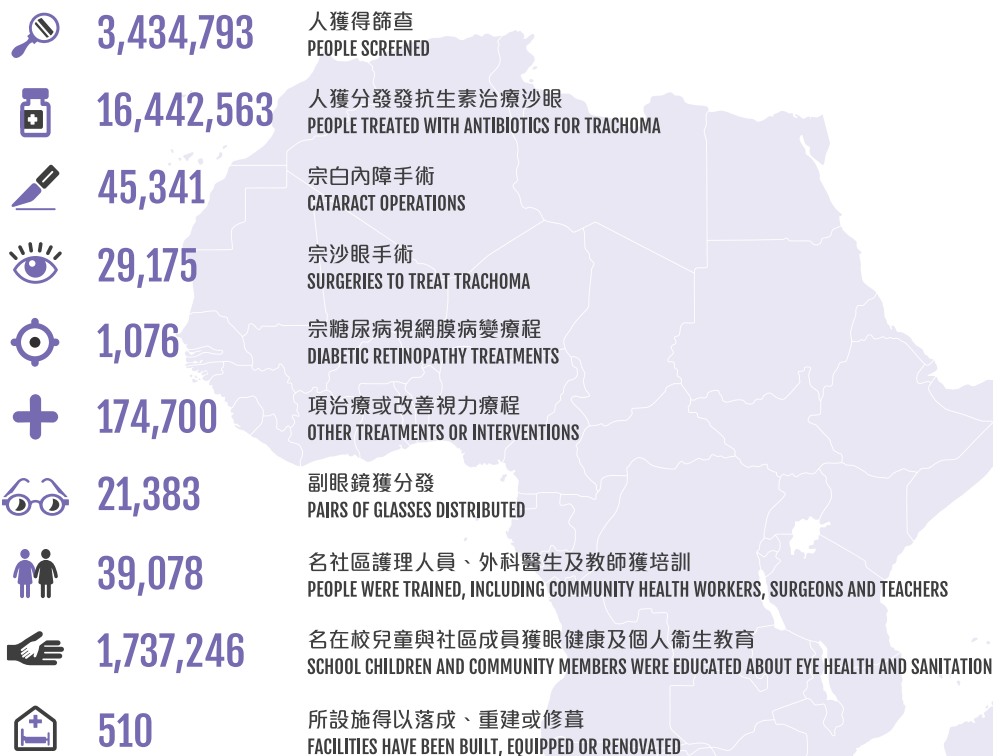

Your support didn't just restore Ani's sight — it restored her independence, dignity, and ability to uplift others.

護瞳行動正運用創新科技，突破偏遠地區接觸眼科護理的障礙。透過「光明希望計劃」，社區護理人員使用智能手機進行視力篩查、轉介個案，並以短訊跟進，大大提升了眼健康服務的可及性。

其中一位受惠者是來自肯亞的年輕母親羅斯林，自小受慢性眼疾困擾，因缺乏醫療渠道，病情逐漸惡化。幸得您的支持，醫護團隊進行家訪和眼科篩查，羅斯林終於獲得所需治療。如今，她不僅重拾清晰視力，更以嶄新自信照顧家庭，生活充滿希望。

您的捐助，不僅讓羅斯林重見光明，更賦予她追尋美好未來的能力。衷心感謝您，讓更多人都有接觸眼健康服務的權利與機會。

The Fred Hollows Foundation is using innovative technology to break down barriers to eye care in hard-to-reach areas. Through the Vision Impact Project, Community Health Workers are now equipped with smartphone tools to screen eyes, send referrals, and follow up via SMS — making eye care more accessible than ever.

One of the lives transformed is Roslin, a young mother from Kenya who suffered from chronic eye irritation since childhood. With no easy access to care, her condition worsened over time. But thanks to a home visit and screening powered by your support, Roslin was finally connected to treatment. Today, she's not only seeing clearly — she's thriving and caring for her family with renewed confidence.

Your donation didn't just restore Roslin's sight — it empowered her future.

## 啟迪新一代： 眼健康與人道精神的實踐 Empowering Young Minds: Eye Health & Humanity in Action

護瞳行動香港辦事處非常重視青少年眼健康教育的推動，並積極培養年輕一代的同理心與關愛精神。年內，超過 1,250 名中小學生參加了我們的「瞳見光明講座」計劃，深入了解視力護理的重要性及日常保護眼睛的知識。同時，《同燃希望獎》繼續表揚本港年輕改變者的善良與誠信，鼓勵他們將關愛延展至社區。

這些計劃相輔相成，不僅啟發學生主動關注自身眼健康，更身體力行傳承霍洛教授的人道精神，證明同理心可以從小開始培養及實踐。護瞳行動將繼續與學校及社區攜手，培育有能力、有愛心的新一代，為社會締造更光明未來。

The Fred Hollows Foundation Hong Kong office deepened its commitment to empowering the next generation through eye health education and the promotion of compassion. Over 1,250 students from three primary and three secondary schools participated in our interactive school eye talks, gaining essential knowledge about vision care and the importance of protecting their sight. Complementing this, the Fred Hollows Humanity Award continued to honour the kindness and integrity of young changemakers in Hong Kong.

These initiatives work hand in hand to inspire students not only to care for their own eye health but also to embody the humanitarian spirit of Fred Hollows — demonstrating that empathy and action can begin at any age.

## 世界視覺日及嘉年華 World Sight Day & Carnival

於 2024 年世界視覺日，護瞳行動積極響應主題「百業行善捐款倍增」，鼓勵社會各界攜手參與全球救盲行動。今年，我們首次於荃灣南豐紗廠舉辦充滿活力的世界視覺日嘉年華，更與本地人氣角色大馬成合作，號召過千名公眾參加，透過遊戲向家庭及兒童推廣護眼知識，提升公眾對視力保健及全球可避免失明的關注。

我們衷心感謝眾多企業夥伴於世界視覺日慷慨配對捐款，進一步擴大公眾宣傳成效，讓更多人得到眼健康服務。這些夥伴不僅支持了全球救盲項目，更鼓勵社會一同行動，充分體現香港人關愛的力量，為未來世代締造更光明的明天。

On World Sight Day 2024, The Fred Hollows Foundation Hong Kong embraced the theme “Every Effort Counts”, encouraging people from all walks of life to take part in the global movement to end avoidable blindness. For the first time, we hosted a vibrant World Sight Day Carnival at The Mills, featuring beloved local character TaiMaShing and our own Freddy Bear to engage families and children in eye health education through interactive games.

We are deeply grateful to our corporate partners who generously matched donations during World Sight Day 2024, helping us elevate public awareness and extend our impact even further. By joining hands with The Foundation, these partners not only contributed to sight-saving work across the globe but also inspired others to take action — proving that collective compassion can drive meaningful change for future generations.
